Le nostre Pizze • Our Pizza

We are very proud to serve you the perfect Pizza Napoletana, made by our experienced Neapolitan Pizzaioli using the traditional method that makes it so special and famous all over the world. It means fresh dough prepared two days in advance for the perfect levitation, only the best flours and ingredients for the base and the toppings, and always freshly made mozzarella. The pizzas cook to perfection in our unique "Sorrento stone" oven, built in Napoli and shipped all the way to Manly for us.

"Naples is the birthplace of pizza as we know it, or don't: The TRUE Neapolitan crust, blistered in stone oven, is softer and floppier than what most of the world knows. It's puffy, leopard-spotted, light-as-a-cloud rim hugs layers of sweet local tomatoes and divinely melty mozzarella."

Daniel Young - CNTraveler

OUR PIZZA DOUGH

We use additive-free and all-natural flours that are slowly milled for optimal water absorption and superior yield for all of our pizzas. We use an Italian pre-fermentation technique called biga, which uses time and temperature to allow the yeast a chance to consume more of the carbohydrates (flour) and create protein (gluten) as well as CO₂, resulting in a stronger yet lighter, more aromatic, textural, and digestible dough.

HOMEMADE GLUTEN FREE (+\$5)

Pizzas can be ordered on gluten-free base (round size only). Please note that we cannot guarantee that dishes will be 100% gluten-free as all pizzas are prepared in the same environment.

VEGAN CHEESE (+\$3)

Pizzas can be ordered replacing fior di latte or other cheeses with vegan cheese.
